

Summer Reading Assignment

English 2 CP and Honors

Classics of British and American Literature.

All English 2 students will read and annotate** *Frankenstein* by Mary Shelley. It will become the basis of our first month of study. Pay special attention to the setting and the state of mind of the characters as you annotate. Be ready for a comprehension test right when we arrive back from school.

If you are registered for English 2 Honors, you will read *Frankenstein*, and you will also read a novel of your choosing from the list below. Be prepared for an assessment for both novels.

**Annotation means to add critical or explanatory notes (and/or to note literary devices) to a text.
