Dear Connelly Community,

As we enter our second week of a "Safer at Home" mandate, I hope that this email finds you all safe, and at home. I have no doubt that many, if not all of you, have questions regarding the forward motion of Connelly, and how the current world circumstances affect your daughter(s). While I am at the mercy of information provided by our Governor, health care agencies, and the Department of Education-like you, I want to provide an opportunity for grade level family meetings to occur, via Zoom, in the hope of answering your questions and, perhaps, quelling some concerns. Mrs. Caroline Tran-Ryan, will join me in these meetings as we come together as a community, check-in with one another, and keep you informed on issues such as: AP Testing, SAT and ACT Testing, and Senior Exit Interviews. Zoom meetings will take place this week and next beginning at 6:00 PM and continue until all questions have been answered. Please watch for the schedule of meetings to come out within the next day or two via Eblast and Telephone Connect. Very soon, you will receive a Zoom Invite from me or my assistant, Maria Teresa Avila, with additional pertinent information.

Also, you should know that we are planning some fun Zoom Events that continue to celebrate who Connelly is as a faith-filled and joyous community-More information to follow!

In the meantime, please remain safe. You are all in my prayers. I ask that you continue to keep our whole community, our faculty/staff, and their families, in yours.

In Peace,
